District 105N Newsletter

[District 105N Website](http://www.lionsdistrict105n.org)

Lion Brian Ross
Webmaster

For those who don't know where it is www.lionsdistrict105n.org

Please take a couple of minutes to have a look and check the details on your clubs page especially the contact details

Consider adding a Google maps link to where you meet, it's great for potential visitors

Do you want more content adding to your page? i.e. Facebook link

Do you have any suggestions to improve the overall 105n site?

Is your club site tired and in need of a revamp, not sure what to do?

Send me an email and I will have a look and give you some options

My vision for the district website is to be a shop window for visitors and a one stop information hub for members

My email is web@lionsdistrict105n.org

Thank you

Lion Brian Ross MJF,
Doncaster Lions Club

Stop Press.

With thanks to the assistance of Lions Chris and Christine Whiteley we now have a page of information for "Young leaders in Service" on the district web.

Lions Clubs International **FOUNDATION**

We are now two thirds (66%) through the first year as a new District. We are also 50% the way through LCIF Campaign100. The objective is to raise \$300 million, to enable more grants to empower service in the 10 chosen areas.

Some Clubs have gone the extra mile in their Donations to LCIF, thank you.

As a District we currently, of the 82 Clubs, 49 Clubs have made a donation, (59.76%). Lets have a 100% donating District.

I call upon the 33 Clubs who have not yet made an LCIF donation this year to make a Donation no matter how large or small. Let's remember "Every Penny counts".

Any questions or help with any LCIF matters, grants, credits or applying for MJF, please contact me.

PDG Roy Chambers
LCIF Co-ordinator 105N

Remembering Those Lions, Lionesses Who have Passed on to Higher Service

Fellow Lions, Lionesses

After being told that we should not put the names of those Lions and Lionesses who had passed on to Higher Service in the newsletter because some clubs put copies out in the public domain, I spoke with our District Almoner who e-mailed the Multiple District Data Protection Officer regarding the matter. I also spoke to her myself whilst at the Lioness Conference Below is the e-mail that she has sent to me in order that I can inform all clubs of the correct procedure to follow.

PDG Lion George W Morgan
District 105N Newsletter Editor

Good evening Lion George,

We spoke around the issue of data protection and publishing the details of those Lions who have passed to higher service in the newsletters

Whilst we both appreciate this can be a sensitive issue, there is no reason why these details cannot be included...PROVIDED the Club has recorded the permission of the next of kin to do so! It is more a courtesy than legal requirement, but I believe it should be recorded by the Club.

They can do it by noting the verbal consent of the next of kin without bothering the family at a sad time, but they must record the date they record it (if that makes sense). So we don't need to bother the family with an official form or anything like that, but the permission should be recorded because effectively we are making the details "public" .

I am happy for you to forward this email to anyone in the district who may want to see this advice.

Yours in Lionism

Robyn

District Officer Positions Vacant for 2020-2021

Fellow Lions

At this moment in time I am putting together my Cabinet for the forthcoming Lionistic year 2020-2021. I still have a number of positions waiting to be filled, they are:

Zone Chairman -Zone 10 Leeds area

Zone Chairman -Zone 12 South Yorkshire

District Diabetic Officer

District Hunger Relief Officer

District Message in a Bottle Officer

This is an opportunity to get new Lion members to serve on Cabinet and help move District N forward. If you would like further information on any of the above positions then please contact me.

PDG Lion David Wilson
District Governor Elect 105N
Tel. 01723 514529 (M) 07969 688379

Friendship Through Competition

I hope that my logo "***friendship through competition.***" will encourage lions to join in some of the above, and enjoy the fellowship of our great organisation.

Will those who receive a trophy or shield, please ensure that your name and year has been etched on the trophy.

I will be grateful if all the trophies and shields can be returned to me at convention next year, for presenting to the next winner.

If any lion member finds that any of the above information is incorrect, please contact me, and I will rectify and report in next month's newsletter.

If anyone has not seen the competition information and rules, please get in touch, at the address below, and I will e-mail them to you. My details are:

56 Highfield Close, Gildersome, Morley, Leeds. LS27 7IT.

E-mail: Rjfield58@gmail.com

Lion Roy Field.
District 105N Competitions Officer

District Governor 105N

Fellow Lions, Lionesses, Leos and Partners

I would like to take this opportunity to thank all the members of the Convention team for all their hard work and for a very entertaining programme over the Convention weekend. And thank you to the speakers who took time to make their presentations.

It was great meeting our 3rd Vice International President, Dr. Patti Hill who was our international guest at Convention.

Together we visited the Men's shed project at Tynedale Lions Club on the Monday where Lion Patti got stuck in with the wood turning!

Following her visit to 105N Lion Patti sent a message to all members across the District — Please see letter on back page.

I would like to congratulate our new District Governor team for 2020-21 – DG elect, David Wilson from Filey Lions. 1st Vice DG, Nigel Ware from Garforth and District and 2nd Vice DG Clive Barwell from Morley and District Lions.

It was nice to see us getting some stories from the District in the Lion Magazine – we even hit the front cover with Bon Accord Lions doing tree planting! This is a great project for other clubs in the District to get behind and I am aware that some other clubs are doing so. The simple act of planting a tree can help change the environment for everyone. There is a great article on the floods in Yorkshire and I would personally like to thank all the members across the District who supported the floods appeal. There is even an honourable mention of our 2019 Youth Camp! Wonderful service across the District being recognised.

I am delighted to say that our Young Ambassador Theo Biddle who did very well at the MD105 Young Ambassador Final at Dudley last weekend, and won the Shipshape Award. A big thank you to Castleford and Pontefract Lions who sponsored such an excellent candidate. I hope more clubs will engage with this programme next year and put candidates forward.

I want to thank all the clubs who supported the LCI programme for Model Club status and I hope to see many more clubs take up this challenge across the District.

We have had some successes with new membership – with thanks to those clubs, but we still have some way to go to inspire more volunteers to come and join us. Just Ask!

Lion Andrew

19 March 2020	City of Edinburgh Lions Club Meeting	

Vice District Governor 2019-2020

I would like to thank all members for their very kind support in appointing me as your District Governor for the forthcoming Lionistic year which starts in July. Christine and I are very much looking forward to meeting very many of you and your partners during the 12 months that I am in office.

As many of you will know I left immediately after the District Convention for the District Governors Training School which was held at St Charles on the outskirts of Chicago. The event being attended by some 680 Incoming District Governors. A very inspiring week for all of us despite one day the outside temperature being minus 22C which with the wind chill factor became minus 29C. The week itself include a visit and a full tour of our International Head quarters at Oakbrook.

If you would like Christine and myself to attend one of your club events whilst we are in office I am contactable by email davidwilson51@hotmail.co.uk , mobile 07969688379 or by landline 01723 514529, obviously the sooner that you make contact the better chance you have us being available.

The very many good wishes of support that we have received since my appointment are very much appreciated. Thank you.

Around the Clubs of District 105N

Wetherby District Lions Club

Lion John Wardley has been awarded the 'Melvin Jones Fellowship' for outstanding service to both the Lions Clubs International organisation and the community in which he operates.

Said Lion President Tim, "This is a well-deserved recognition of the contribution that John has made to the people of Wetherby and the wider community of Yorkshire. He is one of those people who shuns the limelight and prefers to work away in the background, ensuring success for projects organised by the Lions and other groups with which the Lions are supporters.

He has served the Lions for over 33 years taking on a number of senior roles in the Club, including Lion President in 1993/94, Health and Safety Officer and currently acting as Treasurer. It has taken a lot of arm twisting for him to allow me to mention his accomplishments but I consider his achievements worthy of greater acknowledgement.

Lion President Tim continued, "Projects where John has been a major force include the Great Yorkshire Bike Ride, which has raised nearly £3 million pounds for Yorkshire charities over three decades, Wetherby Christmas festivities including the Christmas Market and Santa's sleigh and the now defunct (*due to his own health and safety concerns*) the Wetherby Pram Race. In partnership with Yorkshire Electricity John was instrumental in the creation of the incredibly popular and well used 'Harland Way' cycle path between Wetherby and Spofforth which other cycling organisations have now developed to add further facilities enjoyed by both local Wetherby cyclists and many visitors. I look forward to many more productive years working alongside John and his like minded colleagues in the Lions; carrying out the motto of Lions International, *We Serve*".

Lion Martin Doxey
Secretary Wetherby District Lions Club

Pocklington District Lions Club

Thanks to the generosity of the people of Pocklington, Market Weighton & surrounding areas Pocklington District Lions PDLC raised over £4,500 in December. We also successfully fully funded our new Sleigh through donations, sponsorship and the goodwill of many local people. The sleigh fund surplus has also been donated to Cancer Research UK as a gesture of thanks to Andrew Wilkinson for his time in building the Sleigh. In essence we have a new sleigh which did not need funding from our existing resources and the total generated for good causes this year is therefore over £5,000.

A factor more difficult to quantify is the smiles generated by children and adults alike when we are seen out and about!

Alongside our collection days and evenings we also supported other events; Santa appeared at local schools, nursing homes and other venues including a fun run for St Leonards Hospice's Santa Dash at Allerthorpe Lakeland Park, including a boat trip for Santa and his Elf!

A really special day for us was the Grotto, we organised, for children with special needs at Pocklington Town Council offices. All spaces were fully booked. Thanks are due to Hunters Estate Agency Pocklington for their kind support on the day and their sponsorship of special

Continued Overleaf

In general, the weather stayed fine for our collections; we only had to postpone one evening which meant our double-route collection on December 23rd was one the longest we have ever undertaken. However the generosity of the people coming out of their homes to meet & donate more than made up for long late night. James Ducker and his team at Langlands Garden Centre stepped in at the eleventh hour to provide a tow vehicle for the entire month.

None of this would have been possible without our fantastic new sleigh built by Andrew Wilkinson with saddlery and upholstery crafted by Rowena Morris; both volunteered their time. Sleigh Fund raising went on throughout the year with a rush during the last month helping reach our target. Pocklington District Lions were Sainsbury's Pocklington nominated charity as part of their 150th Birthday celebrations and were central to us beating our Sleigh fund target.

Thanks also go to, Market Weighton Town Council, Pocklington Town Council, Pocklington United Services Club, Robert Bird Photography, Wicstun Veterinary Group, JJP Print, The New Community Shop and Tesco, Market Weighton, who supported us with grants/donations or allowed us to site collections from their premises.

A special thanks must again go to Langlands Garden Centre who not only provided our tow vehicle but also made a significant donation to our sleigh appeal & probably most importantly have allowed Santa to store his sleigh at their secret (North Pole?) location for many past years.

Lion Richard Knill
Pocklington District Lions Club

Morpeth Lions Club

Over £4,100 was distributed to thirty four local Charities and organisations by Morpeth Lions meeting recently. The organisations, many of whom were schools and youth organisations, had taken part in the Club's annual Dickens of a Draw.

At the cheque presentation ceremony, Morpeth Lion President, Les Brindley said 'I am pleased to welcome some of the participants in the Dickens of a Draw which enables local charities and clubs to raise much needed funds for themselves. I know that the schools involved are able to make good use of the funds they raise to enhance the facilities available to their pupils,

It is an excellent opportunity for any organisation looking to fundraise during the festive period with the Lions arranging the prizes and the 10,000 books of tickets. In this

Continued in next column

way local organisations can sell the tickets without worrying about the administration; and by joining together bigger prizes are on offer.

I would also like to take this opportunity to thank those who kindly donated prizes, as without their support it would not be possible for the organisations to raise these funds.'

First prize of a Parkdean holiday was won by a resident of West Moor and the second prize of a weekend at Linden Hall Hotel by a resident of Amble.

A big 'thank you' should also go to Lion Mike Nicholson who again organised this successful event.

Lion Simon Pringle
Morpeth Lions Club

Dalbeattie & District Lions Club

Dalbeattie Lions had a visit during our February meeting from our Lions Club International District Governor 105N for Scotland and Yorkshire Lion Andrew Kerr- Sutherland

Andrew covers a vast area from Aberdeen down to South Yorkshire. He has now moved down to Dumfries and Galloway from Edinburgh to the Machars area and is in the process of opening a new Lions Club in Whithorn in the near future.

Andrew enjoyed his visit and saw how we were all working towards new goals of funding exercises and events for 2020 for the residents of Dalbeattie and District.

Pictured are:

Dalbeattie Club Secretary Sheila Pook, Dalbeattie Club President Marshall Smith, DG Andrew Kerr Sutherland and Dalbeattie Club Treasurer Maureen Feenan

Lion Lynda Burns
Dalbeattie & District Lions Club

Darlington Lions Club

Darlington Lions Club are playing a vital role in reaching primary schools in Darlington with children's books about the problems of ocean plastic.

The club has visited several primary schools in the town and donated the books written by Cornish based author and illustrator team Ellie Jackson and Laura Callwood which are based on true stories about the problem of ocean plastic and bring the issue to the children's level. The stories follow three well loved animals as they encounter plastic bags, balloons and fishing nets and each book is written in a positive and hopeful light to inspire the next generation to help tackle this worldwide problem.

This week Darlington Lions Club president Neil Anderson and several other members of Darlington Lions Club visited Firthmoor Primary School to present copies of the three books to the children of year 2.

Photograph (as provided by the school)

Left to right - Ann Dixon, Head teacher Firthmoor Primary School - Darlington Lions Club President Neil Anderson and members of Darlington Lions Club with the children of class 2 after the presentation of the books.

While at the school the Lions were given a tour of the impressive building and were especially taken by the school library and it's vast and varied content of reading.

Lion Club President Neil Anderson referred to the Lions International Reading Active Programme (RAP.) which encourages people of all ages to read or to learn to read and he invited the children of class 2 and their teachers to visit the Darlington Lions Club bookshop in Blackwellgate on an educational visit.

Lion Hilary Robert
Darlington Lions Club

P.D.G. Lion Janet Weatherill

Past District Governor Lion Janet Weatherill was cremated on February the 13th at the Haltemprice Crematorium in Cottingham .It was estimated that 250 people attended the service from many parts of the UK..

Lion Janet has held many jobs in Lions and out of Lions one of those being the Chairman of The Dove House Hospice in Hull, of which she was very proud , I decided that we would hold a collection for the benefit of the Hospice at the service and thanks to 250 very generous people it raised the magnificent sum of £1,131,50p

Thank you all

PDG Lion Peter Weatherill
Hull Kingston Lions Club

Castleford & Pontefract District Lions Club

We are so proud of our Young Ambassador Theo, for winning the Lions Clubs of British Isles Ship Shape Award.

Congratulations Theo from all the members of Pontefract and Castleford Lions Club.

Theo will experience a week long voyage on a Tall ship that is crewed by a team of able bodied and disabled people working together to build confidence and to fulfil their potential.

The award was presented by PID Lion Phil Nathan and Lion Heidi Nathan who said "All of us who had the pleasure of meeting Theo know that he will make the most this opportunity.

Lion Michelle Nicholson.
President Castleford & Pontefract District Lions Club

Lion Marilyn Bennett
District 105N MLCI Officer

Holderness Lions Club

Lion Ann of Holderness Lions has for some time been collecting various items of rubbish, e.g. biscuit wrappers, empty toothpaste tubes, old pens, crisp packets etc. and sending them to an organisation called. Ellis's Fund.

These items are then sold and the money raised goes to research for brain tumours. The fund was started a few years ago when Ellie, aged 12, died because of brain tumour.

As a Club we have decided to make this a club project and will be collecting as much rubbish, as per above, as we can.

PDG Lion Eileen Smith
Holderness Lions Club

Ayr & Prestwick Lions Support Local Food Bank

Following a visit to the January Business Meeting by a representative of a local foodbank, members of Ayr & Prestwick Lions Club decided to make a donation to that organisation.

Christ in Action is an inter – denominational charity set up by members of several churches in Prestwick and North Ayr. Food collected is distributed on a weekly basis to provide needy children and residents with regular access to meals. As well as collecting and storing food, volunteers take food to the targeted locations. This means that children in need at a primary school in a deprived area are provided with breakfast and lunch for five days a week. Residents in hostels such as the local Woman's Aid refuge are supported in this way as are some homeless group

Lions Gordon Macdonald and Phiroze Mehta were delighted to present a cheque for £250 at Christ in Action's store based at Prestwick North church. They were most impressed by the commitment and enthusiasm of the volunteers, some of whom were in attendance.

Lion Alec Mooney
President, Ayr & Prestwick Lions Club

Easingwold District Lions Club

Kurts Club, are one of those unsung charitable groups that make Easingwold a better place. Volunteers are giving up their own time to help about a dozen residents between the ages of 20 – 70, who have various mental health issues. They are offering a much needed service and indeed they have been doing this for a considerable time! Managers Julie Kitchen who helps run the Club has been doing this for the past thirteen years, while Linda Bryan is not that far behind.

The name is taken from the room at the Galtres Centre that they use for their sessions and they are a bit like a little family where everyone supports one another. The members talk and discuss their problems as well as taking part in a program of planned activities, e.g. crafts, music, literature, well-being and writing poetry etc. – for many members it is their only social activity each week outside of home.

Currently, the group's major cost is the rental of Kurts Bar and this is being funded by NYCC, but due to severe budget cuts, NYCC have decided only to fund them for half a day per week rather than a full day – starting at the end of the month. This will severely affect all those who benefit and volunteer for Kurts Club and the whole project risked closure.

Easingwold District Lions were asked for their help. In our last meeting we immediately agreed to donate an initial sum of £350 which would delay closure and give the managers of Kurts Club time to source alternative permanent longer term funding.

Members of Easingwold District Lions are pictured with happy Kurts Club members in Kurts Bar at the Galtres Centre.

Lion Cassandra Bullock
Easingwold & District Lions Club

Brighouse & District Lions Club

At our February meeting, it was decided to donate to some of our local charities. These were Brighouse Rest Centre for room hire and donations to Overgate Hospice. Emma's Mito Mission, a Brighouse based charity. Cancer Research (UK) the Pennine Bowling Club for the Visually Impaired and to the Alzheimer's Society.

We renewed our Brighouse Railway Station floral display tub, provided and maintained by Friends of Brighouse Railway Station volunteers.

North Wolds Lions Club Spring a Surprise on three of their Club Members

Three members of the North Wolds Lions Club have been presented with the Melvin Jones Fellow Award. Pictured with their plaques are the three Lions who are Charter members of the club founded some thirty five years ago.

Between them they have given 105 years of service to the 23 villages served by the club in the Yorkshire Wolds and coastal area.

Pictured from left to right are:
4 times Past President Peter Kalesnikovs, 5 times President Keith Harris and 2 times Past President Mike Sellers.

Lion Keith Harris
President North Wolds Lions Club

Keighley Lions Club

Not exactly a quiet month...a few projects in progress, plus usual commitments. Helping a local retired lady with a much needed repair to a rickety porch, a couple with a disastrous flooding clean up, plus our usual commitments. All part of our care for the community.

But one event needs to be mentioned. Eight members braved the elements to join with the Todmorden Lions at their charter dinner, which could have been their last for various reasons. After a lovely meal in the true Lion's black tie format, we heard the brilliant news that their situation has changed, and the club will carry on....still providing a much appreciated service to their local community.

We from Keighley wish them well and look forwards to continuing our long term friendship

WE SERVE

February 2020

Dear Lions Clubs

Re: District 105 N Convention

First, let me congratulate your District Governor Andrew Kerr Sutherland, your District Officers, and the Convention Host Committee for organizing a very informative Convention on February 7-9 in Scotch Corners. I was impressed with many facets of the event, including but not limited to:

- **Child Sight** - a great program for vision screening that will provide clubs with the opportunity to serve, and to be a valued partner in each of their communities;
- **Brain Tumour Research** - the impact on children coping with this diagnosis and the stress for their families is significant. I am certain that anything we can do to help will be appreciated.
- **Leadership Development Opportunities** - Both the Symposium and the ALLI training were highlighted. I noticed that many of the Lions attending had already participated, but that those Lions who *should be nominated* as great candidates for future leadership roles were not in attendance. Please consider nominating a newer Lion from your Club for these opportunities.
- **Club Service: Man's Shed** - As a psychologist and a Lion, I was very impressed by the Lions Clubs' engagement with building and offering a space for men to gather, to work in community, and to battle possible isolation and loneliness issues. In a culture where many of our next generation move away to seek employment, our elders are often left without a strong local support network. Any opportunities (Man's Shed or other) which we can offer them to feel engaged and supported are a boon to our communities.
- **Fellowship and Friendship** - The committee provided a convention program that had plenty of time for the new 105N district to enjoy fellowship and friendship. I particularly enjoyed the time to chat with Lions on the Saturday during breaks, during the evening social and again in a more formal setting on Sunday during our **Q&A** session.

I do hope that each of your Club's delegates will report on the convention highlights for those members who were unable to attend the "2020 Storm Ciara Convention". I also send my sympathy to those impacted by the storm.

Yours in friendship and service,

VP Dr. Patti
